NUTRITION TO GO

Moderation and variety are the keys to healthy eating habits. A burger, taco, or piece of pizza may contain more than 30% calories from fat. But when paired with lowfat chocolate milk, a piece of fruit, and carrot sticks with lowfat dip, the entire meal can be quite healthy.

Hey, why do you think it's called BREAKfast? A breakfast sandwich of an egg, a slice of lean ham, and a piece of cheese on a whole-wheat English muffin, with an orange and lowfat milk, provides a delicious variety of foods, and only about 550 calories. Keeps you feeling full, too. Enjoy!
